904.1. USE OF PROFANITY	
1. Purpose	The Board recognizes the use of profanity as unacceptable behavior in the learning environment of a school and, therefore, of concern to the Board of the California Area School District.
2. Definition	“Profanity” shall mean to use abusive and threatening language towards a person.
3. Authority	<p>In order to prevent students and staff from an environment that may be harmful to them and because the Board cannot, even by indirection, condone the use of profanity because of its personal harm to personal well being, the Board prohibits the use of profanity in school buildings; on school grounds; on school buses; and in any classroom, hallway, or instructional areas.</p> <p>Violation of this policy by any individual may necessitate the Administration filing disorderly conduct charges, a summary offense through magisterial court.</p>
