CALIFORNIA AREA SCHOOL DISTRICT

909. MUNICIPAL GOVERNMENT RELATIONS	
1. Purpose	It is the policy of the Board that this Board, school officials, and municipal officials maintain a close and harmonious association. Such liaison is requisite for dealing with school/community matters and problems in the most satisfactory manner and assuring the most prudent expenditure of tax dollars.
2. Authority Art. III Sec. 14	The Board recognizes that its authority arises directly from the General Assembly, but it also is aware that the municipality and the school district must work together for the welfare of the citizens.
3. Responsibility SC 521	The Board advocates the joint expenditure of district funds and municipal or county funds to provide those facilities from which the entire community, children and adults alike, may derive benefits. In accordance with this policy, the Board shall, as either opportunity or need arises, and as it is entitled to do by law, enter into a joint powers agreement with the local municipal governing body in acquiring or leasing, improving, equipping, operating or maintaining such jointly used facilities.
SC 502	The public library can and should play an important role in the intellectual and educational development of children attending district schools, serving them as a resource which reinforces and augments the school library in many areas, providing services and materials which may go beyond those which the school library can provide. (To help achieve this end, the school district shall aid in the support of the local library.)
